LEONIDAS WINS THE BRONX.

BEATS CASTALIAN AND OTHER GOOD SPRINTERS IN A DRIVE. .

Hurricana a Gallop for Glenecho-Alan-a-Dale Trims Joeund, Odds On-Handzarra Romps Home-Three Favorites and Two Second Choices Succeed.

Leonidas, running in the colors of Joe Yeager, his new owner, won the Bronx High-weight Handicap, six furlongs, at Morris Park yesterday afternoon. His triumph was wholly due to a splendid piece of horsemanship on the part of Hildebrand, who held the Hamburg colt under restraint long enough to allow the pacemakers, Lady Amelia and Castalian, to race themselves to a state of exhaustion. Then he cut Leonidas loose and won in a spanking drive by three parts of a length in the fast time of 1:13. Lady Amelia took up 137 pounds. She opened favorite at 6 to 5, but gradually went up to to 5 because of a plunge on Castalian, backed from 7 to 1 down to 9 to 2. Collector Jessup was steadily played at 5 to 1, while Leonidas

went back from 2 to 1 to 7 to 2.

Lady Amelia shot to the front with her usual burst of speed. Castalian followed, and the pace was a killer. In the stretch Lady Amelia curled up, dropping back as if she had broken a leg. Castalian went on and made a bold bid for the race, but he weakened under the whip, and Leonidas nailed him 100 yards from the wire. Adios, 20 to 1, took third money, three lengths away.

The Hurricana Stakes, for two-year-olds, five furlongs, Eclipse course, was simply a gallop for S. S. Brown's Glenecho, who was an equal favorite with the Milltown Stable's Bank, at 8 to 5. Glenecho won all the way and beat Bank by four lengths in 0:59%. Campo, 7 to 1, beat Bulwark only a head for third money, in spite of the fact that the latter was practically left at the post.

John A. Drake's Jocund, odds on favorite, was easily trimmed by Alan-a-Dale, 13 to 10, in the third race, for all ages, at a mile. Alan-a-Dale led from start to finish, never being extended, and taking first money, eased up, by two lengths in 1:38%, which equalled the best time on record for the track. Jocund was five lengths before Adriutha, the only

other starter.

Drake's Rapid Water, 8 to 1, unbacked by him, was the winner of the first race, a handi-cap run down the Eclipse course. O'Neill was driving him at the end to beat Martinmas. 7 to 2, a head. Yeager's Jack Ratlin was third, three parts of a length back. Reliable, with 140 pounds, burned thousands placed on him at 7 to 5, the big colt never having a look in.

The time was 1:12.

There was nothing to the second event. for two-year-old fillies, but Handzarra, 7 to 10 favorite. She had the others beaten on the first Jump and came home in a romp with a length over Sydney Paget's Floralia, 7 to 1. James R. Keene's Fancy Dress, 8 to 1, was a length back. The time for the five

furlongs, straightaway, was 0:59.
Drake's Liberia, 3 to 2 favorite, was a successful front runner in the last race, at a mile and a sixteenth over the hill. Ascetic 12 to 1, was in attendance all the way, but Liberia beat him a length in 1:47. Three lengths away, Prince Ching, 15 to 1, took third money from Stolen Moments, 9 to 2,

by a nose. Three favorites and two second choices were victorious, the talent having a better day than usual. The weather was perfect, the track lightning fast, and the attendance was close to 10,000.

Opposition to Big Race Subsides-Officials at the Course.

Affairs have simmered down considerably on the course where the international auto-mobile race for the Vanderbilt cup is to be held next Saturday. The fatal accident of Monday, the talk of interference with the race and the action of the race commission in charge of the contest, ordering that the cars carry their numbers and declaring that any contestant caught exceeding the speed limit would be barred from the race, have combined to tone down the spirits of the chauffeurs. While motor cars of all sorts were running over the course yesterday, it was for the purpose of studying the turns and bad spots, and there was little speeding. The grand stand at Westbury is practically completed, and the work of sprinkling 90,000 gallons of crude oil on the course is almost finished. The work of repairing the road on the Bethpage turnpike, where it is dangerously rough, is progressing, but seemingly not

so rapidly as it should. The two 90 horse-power Panhards and the 80 horse-power De Dietrich which Gabriel is to drive, all three of which were held up by the Custom House authorities and were released last Tuesday, were out on the course yesterday and were the objects of great in-

The racing board of the American Automobile Association, which has charge of the race, took up its headquarters at the Garden City Hotel yesterday afternoon, and will have daily sessions there until Saturday.

An informal luncheon in honr of Fernand Gabriel, the French racing chaufteur, was held at the Garden City Hotel at noon yesterday.

All opposition to the race on the part of residents of the county seems to have died out since the hearing last Tuesday, and there is no more talk by farmers of driving their wasons in the middle of the road next Saturday. Concerning the likelihood of interference, A. R. Pardington, chairman of the A. A. racing board, said yesterday:

"The only possibility of the race being stopped or delayed now lies in the issuance of an injunction at the last moment. The chances of this being done! consider very remote. I do not believe any of the residents of the county will attempt to get an injunction, and if any of the outsiders who are seeking notoriety by raising a hue and cry seeking notoriety by raising a hue and cry seeking et an injunction! I do not believe they will be able to get one from any Supreme Court Justice in the district. The situation has been pretty well aired, and any Justice would see that to issue an injunction at the last moment would be a snap proceeding of great injustice. However, everything that human foresight can suggest has been done by the commission to prevent a delay of the race. We have engaged counsel and have prepared affidavits for submission in case an injunctionis granted and will seek to haveit vacated immediately.

"It does not seem to be generally understood," continued Mr. Pardington, that the Nassau county supervisors have not closed the roads to traffic next Saturday except in an indirect way. They have simply removed the speed limit for automobiles for that day in order that the race may be held without the contestants violating the law. They have no uthority to keep persons off the highway and have not issued any edict of prohibition. They

TO-DAY'S MORRIS PARK CARD. Hamburg Beile Will Be Favorite in Hunter Handicap.

Hamburg Belle with top weight will probably be heavily backed to win the Hunter Handicap for three-year-olds at a mile, to be run at Morris Park this afternoon. Mineola and Graceful appear to be the best of the others. Colonial Girl has the heaviest impost in the handicap at a mile and an eighth, but she will have to be at her best to beat Eugenia Burch, Pulsus, High Chancellor and Ormonde'

Right. For the Hunters' Steeplechase a large field has been named, including Cologuy, Bonfire, Gortnagallon and Jim Slick. In the first race, at seven furlongs, Withers course, Geranum, Old England, The Lady Rohesia and Emergency seem to outclass the rest. Sheen, Ascot Belle, Chieftain and Belligerent may be the factors in the third race, for maiden two-year-olds, who will run over the Eclipse course. The fifth event is for maiden three-year olds at a mile, in which James R. Keene's Israelite will start for the first time, meet-ing Clovis and Ben Crockett. The entries are as follows:

Bald, who are driving a 30-horse-power Columbia touring car from Chicago to New York to establish new figures for the trip by automobile, are still keeping shead of the record. Telegraphic advices received the record. Telegraphic advices received here yesterday were to the effect that the car reached Buffalo at 7:40 o'clock yesterday morning and left there at 8:45 o'clock, whereas the schedule called for them to arrive at 10 o'clock and depart at 11:30. Bald drove the car from Cleveland to Buffalo through the night and Duffie took the wheel at Buffalo. The run of 384 miles from Chicago to Cleveland was made in sixteen hours, which is an hour better than the former record. Bald lost three hours in the night through the mistake of his pilot, yet he was well inside the record when he got to Buffalo. Barring accidents, the car should arrive here this morning with a big slice cut from the record.

Auto Track-Racing Tangle.

A tangle over track racing has been thrust Association in addition to its troubles with the Vanderbilt cup race. The trouble in-volves the granting of a sanction for races volves the granting of a sanction for races to both the Pittsburg and Chicago clubs for the same day, last Saturday. This incensed the Pittsburgers to stern protest. Then Oldfield, who had engaged to race at Chicago, went to Pittsburg Instead, and now the Chicagoans want Oldfield suspended for life. The directors of te A. A. A. with whom the protests were lodged, have referred them to the racing board, which began yesterday holding daily sessions at Garden City.

At the meeting of the directors yesterday an exhaustive report on the St. Louis tour was read by Chairman Augustus Post of the tours committee.

to bet on him."
Accordingly Madden's commissioner hurried to the ring and got "the Wizard's" money down at 8 to 1. McClinnis, who had been in doubt as to what horse to play, took the Madden tip and ordered his agent to bet \$500 on the Rapallo colt. Just as the agent was about to leave for the ring Drake came along.

"I am putting a bet on your colt, Mr. Drake," said McGinnis, with a smile. "Don't do it," was the quick rejoinder. "I do not think he has a chance and have sent a large wager in on Lady Uncas, who I am sure will beat my colt. It looks like picking up some easy money at 5 to 1."

So McGinnis changed his plans, and the \$500 wager went on Lady Uncas. Then Drake and McGinnis saw Rapid Water win with a feeling of sadness, while Madden wore a broad, beaming smile. Drake had fourth race, holding Alan-a-Dale apparently safe. Though the odds against Drake's colt were 4 to 5, his commissioners bet \$6,000 on him at this price. Jocund was beaten easily, and the only satisfaction Drake got out of the race was from the fact that the stewards called O'Neill before them and sharply criticised his handling of the Mirthful colt, declaring that the jockey did not make enough use of him in the early stages. When it came time for Liberia to carry the Drake colors in the last race the Chicago plunger's nerve was not what it has been in times past. He thought that \$3,000 was

plunged for the usual limit. Joe Yeager, on the other hand, enjoyed one of the most profitable days in weeks. He began by betting on Jack Ratlin to show in the first race. Then he backed Handzarra to win and Fancy Dress to show in the second event. Glenecho got his money in the third, he played Alan-a-Dale in the fourth. Leonidas, who ran in his name for the first time in the fifth, was not thought good enough to win, but Yeager, at the last moment, but \$10,000 on the Hamburg colt a place, also placing a smaller wager on him to win. He did not bet much on his horse Waswift in the last race, but had a good wager on Liberia. It was said that he cleaned up \$35,000 on the

E. R. Thomas left his \$45,000 apartments at the St. Regis Hotel yesterday in such a hurry to get to the track that he did not have time to eat his lunch. But he was soon sitting on a high stool under the grand stand con-suming a portion of Col. McGrath's special preparation of corn beef and cabbage prior to making a tremendous plunge on Reliable in the opening event. Trainer Shields had assured Mr. Thomas that both Reliable and Lady Amelia, in spite of heavy imposts in-flieted by Handicapper Vosburgh, would win beyond a question of a doubt. The wager on Reliable, therefore, reached \$15,000, it was said in the ring, but the big Watercress colt was so soundly beaten that the commission on Lady Amelia was comparatively Mr. Thomas's wager on Cloverland in the last race was also a mere bagetelle.

The first three races were run down the Eclipse course, the crowd seeing little more than the finish of them. In view of the track room, and the natural accommodations for long distance races, there is a public demand for more of these events to be run over the hill. There can be no doubt that racegoers are growing tired of sprint races, and are anxious to see horses cover a distance of ground on a track where every change in the complexion of affairs may be noted.

A man who was said to have been the secretary of a former Governor of this State caused a rumpus in the betting ring just before the third race. He was elbowing people in front of one of the books, when he collided with a quiet individual who was just looking on. With some resentment the latter stuck out his foot and sent his opponent sprawling on all fours *I'll have you thrown out of the track

for that!" cried the alleged secretary. "Now's the time to begin!" replied the quiet person without flinching. "Just you wait here, and see what I'll do! Why, I've got a pull, and you will go out of

the gate in a hurry!"
"I'll wait!" was the laconic reply, but the warlike man did not come back, while a crowd that had gathered to see the fun turned away in disappointment. H. O. Bernard, an old time speculator

who thrived in the days of "Plunger" Walton and used to make a practise of playing Jimmy McCormick's horses at Guttenburg and Clifton, was one of the visitors at the track and talked over old times with the veterans. Jockey Kunz, who rode Martinmas in the first race, made several runs at the barrier and was finally suspended for the rest of the meeting by Starter Cassidy.

The Milltown Stable, the name under which a New England clergyman races a small string of horses from year to year, had two good things ready. The first was the two-year-old Bank, by Inspector B.-Landslip, who started in the Hurricana Stakes and was hammered down from 5 to 2 to 8 to 5 by some of the shrewdest players at the track The other was Ascetic, who was played across the boards in the last race, the odds dropping from 20 to 1 to twelves. Knowles and Tod Sloan occupied a box in the grand stand. There will be eighty starters or more in the thirty-six hole qualifying round at the Nassau County Club tournament this morning, including all the local and a few visiting players of prominence. Unless an early start is made it will be impossible to finish before dark, and so a special train will be run to the links each morning of the tournament, leaving foot of East Thirty-fourth street at \$8.10 o'clock and stopping at Jamaica for the Brooklyn connection. Travis, Douglas and Travers are deemed the stars of the big field.

The annual championship of the Essex County Country Club begins next Saturday, the final to be on Oct. 22. Somewhat of a novelty for the Crescent players on Saturday will be a driving contest, best average of three, for a prize presented by A. P. Walker, besides the general handicap.

David Hunter won the final match with George Pierson, of Forest Hill, at the Essex County Country Club links yesterday, lead-ing by 2 up in the morning and by 6 up and 5 to play at the end. Hunter's card showed 76, 73—149, and Pierson's, 78, 77—155.

The match between Ward and Janin, the former going out in 38, was the feature of the first round for the President's cup, which wound up yesterday at the Fox Hills Golf Club. The results follow: J. F. Kirk beat J. G. Batterson, by 8 up and 2 to play; John M. Ward beat J. A. Janin, by 4 up and 3 to play; W. B. Houghton beat J. E. Faber, by 4 up and 3 to play; Paul O'Connor beat Frank Sears, by 5 up and 4 to play.

CHAMPION TROTTING YOUNGSTER Hon Voyage Clinches the Title by Winning

Kentucky Futurity. LEXINGTON, Ky., Oct. 5.—Bon Voyage to-day clinched his title as the champion twoyear-old trotter of the year in the \$5,000 youngster division of the Kentucky Futurity by beating a star field in straight heats. He

did not lower Katherine A.'s race record of 2:14, but his 2:15 is a new record for colt or gelding winners of that event. In the final heat he simply jogged. Bon Voyage was bred, is owned and was driven to-day by Charles Marvin. By this victory Bon Voyage made his dam. Bon Mot, hold a world's record as a producer, she having previously thrown Endue, holder of the world's two-year-old gelding record, 2:14%.
Not being satisfied with Charles E. Dean's

offorts to win the 2:11 pace with the favorite, The Bronco, the judges took Dean out of the sulky and put up A. P. McDonald. The latter then won the race with the mare in straight heats. The judges suspended Dean for a year. The summaries: Kenturky Futurity, trotting; \$5,000, for two

IN . THE FOOTBALL WORLD.

COLUMBIA MAKES 31 POINTS TO NONE FOR TUFTS.

Tigers Pile Up a Big Score Against Wesleyan, Yale Beats Holy Cross, 28 to 0, and Harvard Wins Frem Bowdein, 17 to 0-The Results on Other Fields. The defeated elevens were blanked all

along the line in yesterday's football engage-ments. The scores of the victors were of healthy size, except that Harvard's 17 against Bowdoin was smaller than was expected. Exeter beat Bowden 11 to 0 last Saturday. Last year Harvard beat Bowdoin 24 to 0. Yale's score against Holy Cross yesterday was 23 to 0, as against 36 to 10 last year. Yale's defence yesterday was as usual, strong, but the back field work poor. Princeton made 39 points against Wesleyan 17. more than Yale made against the same team a week ago. The Tigers played a better offensive than defensive game. Columbia continues to improve and disposed of Tufts easily. Pennsylvania exceeded her score of last year against Franklin and Marshall by 17 points—just doubled it, in fact, her 34 of yesterday being six more than Columbia made last week against the Lancastrians. Cornell yesterday doubled the score made against Hobart a year ago. A feature of yesterday was two goals from the field by Crowell, Swarthmore's quarter back, making three he has kicked this season. New York niversity began her schedule with a onesided defeat by Amherst. The results: Harvard, 17; Bowdoin, O.

Yale, 28; Holy Cross, O. Princeton, 39; Wesleyan, 0. Celumbia, 31: Tufts, 0. Pennsylvania, 34; Franklin and Marshall, O. Cornell, 24; Hobart, O. Amberst, 23: New York University, 0. Indians, 53; Susquehanna, O. Lafayette, 20; Gettysburg, O. Swarthmore, 20; Lebigh, 0.

COLUMBIA, 31: TUPTS, 0 Metzenthin, Columbia's quarter back, was the star of the game at American League Park yesterday, in which the local university beat Tufts by a score of 31 to 0. The little quarter back showed a world of speed, making four runs, for a total of 130 yards, from quarter back formations and scoring two of the six touchdowns made by the Blue and White. In addition, his run of sixty yards in the first half put the ball within striking distance of the touchdown made by Duell. Columbia showed to better advantage than in previous games. Capt. Stangland did

in previous games. Capt. Stangland did great work in ground gaining. Post at right end did better work than any end candidate has shown thus far. Speed and tendency to concerted action in plays were present at every stage of the game, and Columbia's adherents were jubilant over the improvement of the eleven.

Tufts was at no time in the first half able to do much with the opposing line. On one occasion only in that period did the Massachusetts backs gain five yards in consecutive rushes, and that time on a quarter back kick, recaptured for five yards advantage by a Tufts end. The ginger, or whatever it was that enabled the visitors to hold the West Pointers down to a score of 12 to 0 last Saturday, was sadly lacking. In the second period, against a line of substitutes, the Tufts combination used its tandem formation to good effect, but after twenty yards gain against a weak line was forced to give up the leather. YALE, 23; HOLY CROSS, 0.

New HAVEN, Oct. 5.—Yale made but four touchdowns against Holy Cross this afternoon. The score was 23 to 0. The Worcester collegians came here with practically a substitute team, some of their best men being out with injuries. For the first fifteen minutes the Yale rooters could hardly realize that Old Eli was represented by the team which Capt. Hogan had in the field. It took within a few seconds of that time for Yale to score a touchdown, and Hoyt was the first man to shove the ball over for Yale. Capt. Hogan repeatedly urged the Yale backs to "get into the game," and this finally resulted in more snappy work, so that Yale gained sixty-five yards in straight rushes. Owsley was in to run the team for Yale in place of Rockwell, who is slightly overworked and suffering from a kick in the side. Hutchinson and Verder also substituted at quarter. Quill, regarded as Yale's best back, is also out with injuries. The back field did not word together as it should in consequence Hare proved a disappointment at right end. Holy Cross succeeded in forcing the Yale line but twice, and this was in the first half. The line-up:

PRINCETON, 38: WESLEYAN, 0.

PRINCETON, N. J., Oct. 5.—Princeton easily defeated the Weslevan eleven here this afternoon by a score of 30 to 0. The Tiger defence was good in the middle of the line, but weak at the ends. The combination of Rafferty at centre, Dutcher at guard and Cooney at tackle proved very effective, and the visitors failed to gain through this part of the line. But the ends, which were guarded by Crawford and Miller, were circled often by the visitors, and had it not been for the good work of the Princeton backs in tackling Wesleyan might have made a different showing. Day of the visiting eleven played a strong defensive game and was Wesleyan's best ground gainer. In the first half Wesleyan made first down only twice, while Princeton was not held for downs in the endire game. In the second half an unusual play occurred. McCormick kicked for goal from a touchdown. The kick was too low, and the ball struck one of the Wesleyan players as he bounded forward from be-

tween the posts. It shot higher in the air and sailed over the cross bar, scoring a point for Princeton. Another play of unusual interest was a run of ninety yards for a touchdown by Bard on a caught punt. The line-up:

EASTON, Pa., Oct. 5.—Lafayette scored an easy victory over Gettysburg this afternoon, winning 20 to 0. Fumbling and penalties for offside work were all that prevented the Easton eleven from running up a larger score, as they gained ground at will. Gottysturg's team was lighter, and while they put up a plucky game, seemed weak in defensive and their best gains were made through kicking. Filiott, Van Atta and Hall were the best ground gainers for the Easton eleven, while the work of Hill and Sieber for Gettya burg was very good. The line-up:

ITHACA, N. Y., Oct. 5.—Cornell met Hobart to-day and defeated the Geneva eleven by a score of 24 to 0. Coach Warner only sent four of the regular 'varsity men on the field, preferring to give the substitutes a trying out. Bird ran the team at quarter back and gave a good account of himself. Wolheim was tried at full back for the first time and proved srong on the defensive. Birmingham at right half back was the only 'varsity man in the back field and he did brilliant work while he was in. The game was marked by an absence of fumbling which was very gratifying to Coach Warner. At no time did the Hobart eleven come within striking distance of Cornell's goal. Three of the four touchdowns were made in the first half. The line up. CORNELL, 24: HOBART, O.

PHILLADELPHIA, Oct. 5. — Pennsyvania played Franklin and Marshall to-day and won by a score of 34 to 0. The game was amost a farce. In the first half the Lancaster team could not gain ground at al, and Pennsylvania ploughed through her line for four touchdowns and a goal from the field from the 25-yard line, the result of a free kick. In the second half Pennsylvania's ragged work was a feature of the one sided contest. Pennsylvania fumbled at almost every opportunity. The only score was by Drake getting the ball on Herr's fumble and running thirty yards for a touchdown. The line up:

AMHERST, 23: N. Y. U., 0.

AMHERST, Mass., Oct. 5.—New&York Urgiversity was easy for Amherst to-day. Amherst was held only once for downs and played the game without a fumble. Nearly all Amherst sagins were made by line bucking. In the second half nearly a complete new team of substitutes was put in and as a result Amherst scored but six points. Pierce made the first touchdown after five minutes of play and also kicked the goal. Hubbard was responsible for two more touchdowns in this half, and Coggeshall for one in the second half. The Amherst team was strong on the offensive, and the New Yorkers, although they were heavy, seemed slow and were unable to stop Amherst's rushes.

WILLIAMSTOWN, Massa., Oct. 5.—With Capt.
Watson and Full Back Bates out of the game
with injuries, Williams was at the mercy
of the strong Massachusetts College team
to-day, and was defeated by a score of 12 to
0. The Massachusetts team played a strong
offensive game and deserves credit for the
excellent line plunging and hurdling of Lewis
and Miller, while Williams was unable to
gain at all until the last half, when a number
of good plunges, especially by Marshall,
brought the ball near the opponents' goal
line. The Massachusetts backs played well
together and got their plays away with a
snap and dash that seemed to bewilder their
opponents. opponents.

SWARTHMORE, 20: LEHIGH, SWARTHMORE, Pa., Oct. 5.— Beare a large and enthusiastic crowd Swarthmore defeated Lehigh University to-day by a score of 20 to 0. The team work and physical condition of the Swarthmore team was wonderful. Crowell was the star for the home team with a drop kick got from the twenty-five yard line and a placement goal from the forty-three yard line. An eighty-yard run by Jackson for a touchdown and the line bucking of Maxwell and Sinclair were the features. Lehigh was outplayed at every point. point.

CABLISLE, Pa., Oct. 5.—The Carlisle Indians overwhelmed Susquehanna University by a score of 53 to 0 at football to-day. The first half ended 41 to 0. The second was shortened to ten minutes. The visitors bucked the line hard at the start, but soon weakened. Libby started for Carlisle and Shaffer for Susquehanna. Probably no better ball has been played here than Libby put up this afternoon with brilliant runs and superb tackles. Jude, Baker, Dillon, Tomahawk, Capt. Sheldon and Hendricks played a fine game for Carlisle, and the home team's interference was perfect.

Amendments to Yacht Measurement Rules.

A meeting of the New York Yacht Club will be held this evening in the clubhouse. It will be the fifth general meeting, and it is probable that amendments to the present rule of measurement will be submitted. At a recent conference at which the New York, Larchmont and Atlantic clubs and the Sound Association were represented all the trouble about uniformity was smoothed away. It was agreed that the Atlantic Club's system of taking length should be adopted and that sail area should be measured in the old way, that is by taking the spar measurement. When the clubs have adopted these minor changes then all yachting organizations in this section will have the same rules, and the trouble that yachtsmen have had for many years will have passed away. a recent conference at which the New York,

CORBETT AFTER BRITT. Denver Man After His Rival for a Return Match.

between here and San Francisco, to arrange a match between himself and Jimmy Britt. Billy Roache, formerly of this city, but now a resident of San Francisco, is acting as Corbett's representative there. Several messages received from Roache in reply to those from Corbett are not at all encouraging. The shutting down of boxing in San Francisco has put a damper on the negotiations. Los Angeles is the most available place where the men could fight, but Britt is not inclined to battle there, at least for the present. He says the encounter would draw twice as much if it were held in San Francisco. Then again Britt has promised to face Joe Gans. He issued a challenge recently to meet the negro and the latter accepted, agreeing to make the lightweight scale, 133 pounds Corbett, however, is not losing hope and will continue to press Britt for a scrap. between here and San Francisco, to arrange

Intercollegiate Lawn Tennis.

PHILADELPHIA, Oct. 5.—As the intercollegiate championship lawn tennis tournament at Haverford narrows down to the final round it becomes more evident that the struggle for first place will be between Pennsylvania and Columbia, as in the match in the semi-finals round to-day between Le Roy and Larned, the former won very easily in straight sets and is now sure of a place in the final round. Dewhurst was so busily engaged in the doubles that he did not have the opportunity to play off his match in the semifinal round of singles with Prentice of Harvard, but it is considered nearly certain that the Pennsylvania man will come out triumphant and thus be called upon to meet Le Roy for the championship, when a battle royal for supremacy should ensue, as both men are at the top of their form at the present time. Summary:

Men's Singles—First round—Dewhurst, University of Pennsylvania, beat Sunstein, Princeton, 6-3, 6-4; Leroy, Columbia, beat Whitman, Harvard, 6-4, 4-6, 6-3; Larned, Harvard, beat Thompson, Princeton, 5-3, 6-2; Semi-final Round—Leroy, Columbia, beat Larned, Harvard, 7-5, 6-2.
